*Create The Best Future For Your Child*

October, 2024 to December 2024

It gives me much joy and peace to pen a few lines to you my dear students and staff for your innovative e-magazine! As many of us navigate the new norms, it can be challenging to understand what role our faith and spirituality play in our life. Some have found their faith and spiritually tested and others are relying more on their faith and spirituality than ever before.

The vision of our school is to empower young women to become confident, compassionate, and capable leaders who contribute meaningfully to society. It seeks to create an inclusive, nurturing environment where each student feels valued and inspired to reach her full potential. Through a holistic approach to education, the school focuses on developing not only academic excellence but also personal growth, emotional intelligence, and social responsibility.

The vision is centered on providing opportunities for girls to explore their interests, build resilience, and cultivate a strong sense of self-worth. The school strives to break down barriers, encourage creativity and critical thinking, and foster a spirit of collaboration and respect. By equipping students with the skills and values necessary for success in the global community, the school aspires to shape confident, thoughtful young girls who are ready to lead with integrity, empathy, and purpose in an ever-changing world.

- Having a sense of meaning and purpose Loving and being loved.
- Self-esteem - a sense of our own worth.
- Being of service to others

Diwali is the festival of lights, celebrated across India in unique and colorful ways. It is common to celebrate Diwali by lighting lamps and bursting crackers. There are many stories around Diwali in the popular culture but many may not be aware of the Yogic significance of this night and how it can also become a potent possibility for the spiritual aspirant.

## Christmas

Christmas, a Christian honoring the birth of Jesus, has evolved into a worldwide religious and secular celebration, incorporating many pre-Christian and pagan traditions into the festivities.
